Thoroughbred Notes

The Thoroughbred Chorus is a member of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America. Founded in 1938 SPEBSQSA represents over 38,000 members in chapters throughout the United States and Canada.

The Louisville Chapter was chartered in 1945 and has been active regionally and nationally while developing a reputation for constantly striving to reach perfection in four-part singing through proper blend, diction, unity and hard work. The result of these efforts has been an unprecedented record of six international chorus championships.

SPEBSQSA is a non-profit, educational and charitable society. Our major charity is the Institute of Logopedics located in Wichita, Kansas, a private non-profit residential treatment and training center for persons affected by communications handicaps. To date our society has raised over \$4 million dollars for the Institute.

Thank you for your patronage. We hope that you will enjoy this evening's program and that you will share in what we feel is the unique barbershop experience of "Keeping The Whole World Singing."

OUR DIRECTOR

Jim Miller

The old saying “good things come in small packages” does not apply when speaking of Jim Miller, Musical Director of the Thoroughbred Chorus. Our “good thing” comes in a very large package indeed. Big not only in stature but in talent, inspiration, dedication and, most of all, heart.

Jim, reluctantly, accepted leadership of the Thoroughbred musical program shortly after our first championship in 1962. He immediately began to prepare himself for the task at hand. That of becoming an “expert” in this barbershopping hobby we all share.

Over the years, Jim has become known, throughout the society, as one of, if not, the foremost authority in the art of chorus directing. His dedication to “improving the breed” is demonstrated many weekends each year as he travels throughout the country teaching other chapters the “Thoroughbred Ways”.

Undoubtedly, one of his proudest achievements would be his involvement in leading the Thoroughbreds to five of our six International Championships. In addition, he is one of only seven men, in our barbershopping society of 38,000, who proudly hold six coveted gold medals.

One could only speculate as to where the Thoroughbreds would be were it not for Jim’s leadership. Where the energy comes from . . . no one knows. One thing for sure . . . we’re all extremely proud that he’s on our team.

Handcrafted Dough Sculpture

Magnets • Ornaments • Mini-Wall-Hangings

Kentucky Thoroughbreads® are whimsical horses, individually handcrafted of dough. Each is painstakingly handlettered with "quotes" indigenous to Kentucky and a variety of favorites and more! (includes original quotes)

Heart motif (and bridle) handpainted in red, depicts "love."* Each horse is sealed with non-toxic high-gloss acrylic to insure durability and enhance the beauty of "natural baked dough."

A tiny bow of red velvet or plaid adorns each horse. A super magnet, applied with hot glue process, makes the Kentucky Thoroughbread® a unique decoration for home or office. (Each has a tiny hook for use as mini-wall-hanging.)

*Christmas ornaments have holly/berry motif.

YES OR NO?

People are different. So are the jobs we're asked to fill.
That's why the Manpower System is so important.
It's a breakthrough in personnel science that
takes the guesswork out of matching the
right temporary to each assignment.
The System is an important reason to call Manpower
for temporaries cut out for your office.
